We have two rooms available for weddings and civil partnerships at The David Hall. The intimate Parlour for smaller ceremonies of about six people and the main hall for larger groups.

The Main Hall

The main hall can accommodate up to 100 guests. Our balcony sound system will enable you to play your choice of prerecorded music and the hall is dramatically lit to provide a soothing ambience.

The Parlour

The Parlour is a room adjacent to the main hall where small wedding groups can feel more comfortable in the intimate surroundings.

The Main Entrance

The main entrance to the hall (shown left) provides a lovely backdrop for photographs after the ceremony.
