

Petherton Arts Trust (PAT)
Hiring Policy

As an arts centre in the heart of the local community, the Trust wishes to encourage the use of the building and it's facilities, supporting the trusts sustainability and enriching the local culture.'

PAT would like to offer a welcoming, accessible arts centre to the wider community for all to access, encouraging new and differing art forms

While our published programme takes priority, we acknowledge that creating a welcoming and accessible centre

opens up opportunities to our wider communities to both experience the centre and take the next steps into full participation.

To support this we may at times vary rates to encourage new users and / or new arts development over a limited periods or for specific projects.
